

Dollar Dollar

Sauti Sol

The best things in life are free
She's a woman and she got needs
she needs money, she needs money
Fancy cars, Cuban cigars, hanging with the superstars
She needs money, she needs cash

Lifestyle of the rich and famous
Yeah, she wanna be a baller, baller
A short caller, caller

Show me the money
Dollar Dollar Euro, shilling
Dollar Dollar Euro

She's walking by the roadside
Looking for a good life
Looking to survive, she needs cash
No mama, no papa
Persona non grata
Quick money, sweet cash

Lifestyle of the rich and famous
Oh yeah yeah, she wanna be a baller, baller
A short caller, caller

So show me the money
Dollar Dollar Euro, shilling
Dollar Dollar Euro, shilling
Uuh la la la la
Show me the money
Dollar Dollar Euro, Shilling
Dollar Dollar Euro

So do what you wanna do
Mi nasaka Dollar
Say what you wanna say
Mi nasaka Dollar
Go where you wanna go
Mi nasaka Dollar
Mi nasaka Dollar

So do what you wanna do
Mi nasaka Dollar
Say what you gonna say
Mi nasaka Dollar
Go where you wanna go
Mi nasaka Dollar

Show me the money
