

# Live And Die In Afrika

Sauti Sol

I wanna be rich, I wanna be famous  
I wanna have lots, lots of money, soar above the clouds  
I wanna be free like Nelson Mandela  
Stand tall like a pyramid, so so courageous  
No place I'd rather be ooh na na na, ooh na na na  
There's no place I'd rather be ooh na na na, ooh na na na

Live and die in Afrika  
I wanna live and die in Afrika  
Live and die in Afrika  
Live and die in Afrika

I wanna feel love, I wanna be remembered  
I wanna go down in history, make my mama proud  
The darker the berry, the sweeter the juice  
Na sitoki nyumbani mwacha mila ni mtumwa  
No place I'd rather go  
No place I'd rather go

I live and die in Afrika  
Live and die in Afrika  
Live and die in Afrika  
Live and die in Afrika
