

## Midnight Train

Sauti Sol

Steady rocking on the midnight train  
Steady rocking on the midnight train  
Oh, Lord, steady rocking on the midnight train  
To Zion, to Zion

Hii maisha ni safari  
Tunapita kama moshi  
Na kabla tuzame mchangani  
Kuna kushinda na kufeli oh  
Inabidi ujijue tofauti ya mwalimu na mwanafunzi  
Ni ujuzi na ujuaaji

Oh it's unbelievable  
That we make it this far  
Undeniable  
We see the promised land from afar  
And it's so beautiful  
No they can't touch the fire  
And you know it's not in vain  
We steady tripping through the pain

Steady rocking on the midnight train  
Steady rocking on the midnight train  
Oh, Lord, steady rocking on the midnight train  
To Zion, to Zion

Siku zazidi badilika  
Mengi Yazidi kunipita jama oh no  
Maji yalipozidi unga  
Hawakudhani tutafika fika

It's unbelievable  
That we made it this far  
Undeniable  
To see the promised land from afar  
So beautiful  
They gon' know who we are  
Keep on walking in the rain  
Kuna blessings in the pain

Steady rocking on the midnight train  
Steady rocking on the midnight train  
Oh, Lord, steady rocking on the midnight train  
To Zion, to Zion

It's a narrow road to Zion  
Nothing will ever deny us  
Whatever it takes keep on walking  
Whatever it takes keep on moving  
To Zion, to Zion, to Zion

Steady rocking on the midnight train  
Steady rocking on the midnight train  
Oh, Lord, steady rocking on the midnight train  
To Zion, to Zion

Steady rocking on the midnight train

Steady rocking on the midnight train  
Oh, Lord, steady rocking on the midnight train  
To Zion, to Zion
