

My Everything

Sauti Sol

Every girl deserves to feel like a star
And I know you are, I know you are
Every girl deserves to feel like a star
And I know you are, I know you are

I knew you were when I met you
Nilitamani nikupeleke kwetu
Good vibes and I'm grateful
Hapa nitapanda mbegu
You deserve to feel
Things you never felt before
Love you like I never did before uuh
You don't know what's in store for you
Melanin and so much more

Heavy is your crown
The way you hold me down
I hope I never let you down my love

Every girl deserves to feel like a star
And I know you are, I know you are
Every girl deserves to feel like a star
And I know you are, I know you are

I knew who you were when I met you
That one day I would be able to say yes to you
Good vibes and I'm grateful
It's obvious to me that your special
I'm ready to give like I never did before
Love you like it's an open door
You don't know what's in store for you
Melanin and so much more for you

Heavy is your crown
And still you hold me down
I ain't gonna ever let you down my love

Every man deserves to feel like a king
You're my everything, you're my everything
Every man deserves to feel like a king
You're my everything, you're my everything
