

# Rewind

Sauti Sol

I had to find my dreams  
Despite hizi struggle za behind the scenes  
(Ayo, wassup!)  
And mpaka saa hii aki wallahi na-scheme  
And I would rewind it all if I had a time machine (ha ha ha)  
I lay the extra when I'm in dat zone  
And right now, y'all rocking with who?  
Sauti Sol, Papa Jones  
And at the beat is where I aim for  
(Ayy, you already know)

Success is poisonous  
So many people keep hatin' on us  
Open your eyes to the backstabbers  
Open your ears to the backbiters  
So Jah guide us  
Tulidandia matatu  
Tukachezwa kwa matatu  
Ona leo tunachorwa kwa matatu  
Damu, jasho na machozi tu mwanangu  
Uliza kiatu  
I've been on the grind  
So much to do, so little time  
I'm only tryna get what's mine  
Before nifike finish line  
And I'm having a good time  
I hope I get to see you again  
I hope I get to see you again  
When your life flying  
I hope I get to see you again  
I hope I get to see you again, you know

They never know the story  
Of us before the glory  
I'll do it all again  
I wish we could rewind (rewind)  
Ayy!  
I wish we could rewind (rewind)  
Rewind  
(Uh, to the times tuli hustle mitaa back in the days)  
I wish we could rewind (rewind)  
(Hata before si tukuwe ma-star before the fame I would do it all again)

Rewind selektah  
Ma-fans wanasema  
Mouthfull so sweet na wanashindwa tu kutema [?]  
Inabidi tu kumeza  
Mate machungu tukiwasifu tu ma-hater  
Coz they can never let us go  
So inabidi tu-explore  
Hii situation tu before  
I-get toxic  
Hey, nahitaji ma-good vibes  
In my lifetime  
You're my only hope  
Baby, you're my lifeline  
Keep you in my zone

In a mi' lifetime  
And we can make it all the way

Cause they never know the story  
Of us before the glory  
And I'll do it all again  
I wish we could rewind (rewind)  
Yay!

I wish we could rewind (rewind)  
Rewind

(Uh, to the times tuli hustle mitaa back in the days)  
I wish we could rewind  
(Hata before si tukuwe ma-star before the fame I would do it all again)

Ayo, si vibe ziko positive  
This is something I will live to remember (mambo vipi?)  
Leo nina feel ka' bazenga  
I'm thinking imma stay lit 'til December  
Beside me is a shawty ready kuni-kiss nikisema  
Ka-melanin ngozi rangi chocolata  
Mi' hapo kando jicho nyanya  
Like a bobo rasta  
I'm hella happy  
Leo sishiki moto faster  
Na sijatoa tint, hizi ni effects za cocoa butter!  
I remember doin' shows bila pay  
I swear it wasn't easy but still I prayed  
Nikipiga toughees, ma-boyz walipiga J's  
But now I got a bunch of kicks to give away (ha ha ha)  
And bro nasiringi  
Na ma-fan hunipenda hata niki-throw mashilingi  
But leo, nitatoa thao kama thirty  
Then later, nitatoa trouser na shati  
I can even walk naked mi' sijali kwani  
What's there to prove ka' unajua mfuko iko hali gani (ha ha ha)  
Me, I'm just living my life  
And I'm hopin' we can rewind it  
So we livin' it twice  
OG!

And they never know the story  
Of us before the glory  
And I'll do it all again  
I wish we could rewind it  
And they never know the story  
Of us before the glory  
And I'll do it all again  
I wish we could rewind it
