

Say Yeah

Sauti Sol

Nobody can test the way you look tonight (nobody)
Girl your character's sweet and the way you move and hold me tight (uh-huh), ooh
Your flawless skin, the spark in your eye
Sweet African daughter, I wanna bring cows to your mama

You make me say yeah, I'm loving what you do, say yeah
Rusha rusha mikono juu, say yeah, oh yeah, this feeling that you give me
Ever since you came my way, I'm in love with you, baby
Oh yeah, tout le monde, say yeah

Relax and baby let me take you for a ride
To another place where you and me can feel alright
Nikikuona (ona), naona ndoa (ndoa)
Sweet African daughter, I wanna bring cows to your papa

In the name of the father, of the son, of the holy ghost
I'll never falter (never leave your side, my love)
Katika jina la baba, na la mwana, na roho takatifu
Sitakuwacha, I'll never leave your side my love
