

Unconditionally Bae

Sauti Sol

We all need love
We all need affection
And the way that you're looking at me
I can feel a connection
Unanibamba baby, kwanza unavyochekecha
Kinywaji kwa mkono, na kibeti kwa bega

Juu sikuizi madem wanapenda doh
Na machali pia tunazo drama
Ya dunia ni mengi sana, no commitment mama
So niipe nafasi
Nikupe mapenzi yangu ya kiluhya
Hallelujah

We all need love
Nakupenda
Tena nina imani sana
Ushanitega, ushanitega
We all need someone
Nakupenda
Tena nina imani sana
Ushanitega, ushanitega
So make love to me
Unconditionally bae, unconditionally bae
Make love to me
Unconditionally bae, unconditionally bae

We all need love
Me I need a wife, wa kuishi na yeye
Fuata vijana utakufa mapema magonjwa yamejaa
Jina langu Ali, sasa lazima nilee
Nikikosa kula, nawe ndo chakula, nitakonda mazima
And I belie-eeeve, nitakuwa nawewe
Mwanzo mpaka mwisho
And I belie-eeeve, baibe

We all need love
Nakupenda
Tena nina imani sana
Ushanitega, ushanitega
We all need someone
Nakupenda
Tena nina imani sana
Ushanitega, ushanitega
So make love to me
Unconditionally bae, unconditionally bae
Make love to me
Unconditionally bae, unconditionally bae
