

Wake Up

Sauti Sol

Put my feet in the water
These are the days we used to pray for
You're all I have
You're everything I have to live for
Oh this is heaven
Sometimes we forget to be grateful
I count my blessings
You are my blessing

You could have been anywhere in the world
But you're here with me
Let's live it all tonight
Kesho si guarantee
Life has no warranty
Are you ready? (I'm ready)
Are you ready now now now

Are you willing, are you ready
Willing are you ready
Willing are you ready
Willing willing
Are you willing, are you ready
Willing are you ready
Willing are you ready
Willing willing

I'll give my soul for the gardening
A piece of me is my offering
Got to swim when you've been thrown into
Deepest ends. Pay attention, listen
This is how you achieve direction
Live it how you imagine it
Play with the fire a little bit
It never burns when you're used to it
Sometimes we'll wish we could fly away
And there'll be times when we need to stay

Are you willing, are you ready
Willing are you ready
Willing are you ready
Willing willing
Are you willing, are you ready
Willing are you ready
Willing are you ready
Willing willing

No better place than the mountains peace and quiet
Whispers a flowing river I can hear
Sounds of the wind of soul cause kneeling giants
Life has a way of showing sense of humor

Let love and soul transpire
Give thanks embrace your fire
All glory to messiah
Follow your heart don't tire

Want to be loved, want to feel love

Want to be loved, want to feel love

Are you willing, are you ready

Willing are you ready

Willing are you ready

Willing willing

Are you willing, are you ready

Willing are you ready

Willing are you ready

Willing willing
