

Gunning Down Romance

Savage Garden

Love and other moments are just chemical reactions in your brain

And feelings of aggressions are the absence of the love drug in
Your veins

Love come quickly

Because I feel my self-esteem is caving in

It's on the brink

Love come quickly

Because I don't think I can keep this monster in

It's in my skin

Love and other socially acceptable emotions are morphine

They're morphine

Cleverly concealing primal urges often felt but rarely seen

Rarely seen

Love I beg you

Lift me up into that privileged point of view

The world of two

Love don't leave me

Because I console myself that Hallmark cards are true

I really do

I'm gunning down romance

It never did a thing for me

But heartache and misery

Ain't nothing but a tragedy

Love don't leave me

Take these broken wings

I'm going to take these broken wings

And learn to fly

And learn to fly away

And learn to fly away

I'm gunning down romance
