

# Don't Leave Me

Savage

It look a little time to know it  
Love is gone and i can feel it  
This is when you end the story  
I'm on my knees.

Thinking about the things i gave you  
Believing in a bedtime menu  
Lonely with the bitter knowledge  
Down on my knees.

Don't leave me  
Please don't leave me  
Don't you need me  
Please don't leave me.

Maybe we could talk it over  
Maybe then you will discover  
That i love you like no other  
Now can't you please.

Don't leave me  
Please don't leave me  
Please don't leave me  
Please don't leave me.

Don't leave me  
Please don't leave me  
Don't you need me  
Please don't leave me.

Please don't leave me  
Please don't leave me  
Please don't leave me  
Please don't leave me.
