

Fire

Savage

It's time to vacate
Make way
The girl is on the move
Whenever they say
Mayday
She's breaking all the rules
Oh yeah she's confident
And constantly
Turning young men to fools
Girl I'm inspired
You're a jewel
If I'm the fire you're the fuel

Boom

If I'm the fire you're the fuel...

Boom

It's time to vacate

Whenever they say
Mayday
She's breaking all the rules
Oh yeah she's confident
And constantly
Turning young men to fools
Girl I'm inspired

If I'm the fire you're the fuel

Boom

If I'm the fire you're the fuel...
