

Something More Than This

Savage

Just another dying day
Just another night
I could be wrong but i can't
What is it why is it
I can stop asking me
Into my eyes.

Troubled heart troubled mind
Is it this man's life
I could be wrong but i can't
Is it life or is it death
'cause i can't see anything
Worthwhile to live.

But i'm sure there must be.

Something more than this
Something more than this.

But there will be so much time
Time to visualize
I could be wrong but i can't
Time for lots of revisions
For decisions indecisions
To love and live.

But i'm sure there must be.

Something more than this
Something more than this.
