

# Stand by Me

Savage

There's a starry night  
And the water's clear  
And the music  
Fills up my mind.

You are standing there  
With your eyes on me  
You just leave me with  
Nothing to say  
Such a nice way  
This is why i say.

Come up closer now  
Let your body free  
Let the music say  
What is inside.

Please don't run away  
We're in paradise  
If you listen to  
Words that i say.

Words that i say  
Words of my mind.

Stand by me  
Stand by me  
Stand by me  
The magic of the night.

Stand by me  
Stand by me  
Stay with me.

Can you see my tears  
Slowly falling down  
To the underground  
Searching your dreams.

Please don't run away  
To the other world  
If you listen to  
What's in my heart.

What's in my heart  
Words of my mind.

Stand by me  
Stand by me  
Stand by me  
The magic of the night.

Stand by me  
Stand by me  
Stay with me.
