Our forwards are mean and the backs are tough ah humm ah humm  
Our forwards are mean and the backs are tough you better watch out coz here we come  
Ah humm ah humm ah humm

We are the power we are the speed we are the skills that's all we're gonna need  
Get up and shout say it till the end we are the warriors 100%

Okay kay kay  
Let em know I'm on my way  
May day may day may day  
Them Ball runners run it straight  
I'm from a blood line a of warriors  
Crown guardians  
Hit em up and put the fear of God in em  
Notorious  
Juggernaut coming for the jugular  
They want no part of it  
They got no heart in em  
Run it straight and have em folded by a scorpion  
Let em know that the throne is within our scope  
We in the zone and we're coming for all of the smoke  
Just say less in fact say it with ya chest  
Because we are the warriors 100%

We are the power we are the speed we are the skills that's all we're gonna need  
Get up and shout say it till the end we are the warriors 100% Lets go ooo  
We are the power we are the speed we are the skills that's all we're gonna need  
Get up and shout say it till the end we are the warriors 100%

Okay kay kay  
Let em know I'm on my way  
Olé olé olé  
Them young bulls are out the gate  
Best believe it I'm a beacon for the wahs every season  
Got my game face on and we outchea every weekend  
What's the reason I'm in the comment section on the defence  
Like the warrior of Wall Street coz I ain't I ain't leaving  
I stay loyal to the throne like Okoye  
This is warriors forever holding my team down all day  
Just say less in fact say it with ya chest because we are the warriors 100%

We are the power we are the speed we are the skills that's all we're gonna need  
Get up and shout say it till the end we are the warriors 100% Lets go ooo
