

I Can See The Future

Savannah Conley

This routine is overwhelming
Days are rounding out the same
Not really into getting healthy just yet
I mean not really but you know what I mean

I didn't think I liked surprises
But goddamn surprise me for once
You're sweet and I appreciate that
But that's not everything I need

I can see the future
In every word, yeah
You say
Everyday
I can see the future
I've got to believe that
We'll both be okay
We'll be okay

Maybe I avoid my nature
Or maybe it's avoiding me
Thought I was ready to be settling in
Be pretty, be pleasing, be quiet

I can see the future
In every word, yeah
You say
Everyday
I can see the future
I've got to believe that
We'll both be okay
We'll be okay

We'll be okay
We'll be okay
We'll be okay
We'll be okay
We'll be okay
We'll be okay
We'll be okay
We'll be okay
We'll be okay
We'll be okay
We'll be okay

I can see the future
In every word
You say
I can see the future
In every word
I can see the future
In every word
I can see the future
In every word
