

If You Don't Want My Love

Savannah Conley

If you don't want my love
If you don't want my love
If you don't want my love
I know who I'll give it to

If you don't want my love
If you don't want my love
If you don't want my love
Anymore

If you don't want the thrill
If you don't want the thrill
If you don't want the thrill
I know who, I know who will

If you don't want my love
If you don't want my love
If you don't want my love
Anymore

If that's the way that the world goes round
Then that's the way that it all comes down
When you want me, I won't be around

If you don't want my love
If you don't want my love
If you don't want my love
I know who I'll give it to

If you don't want my love
If you don't want my love
If you don't want my love
Anymore
