

# Midnight Train

Savannah Conley

Catchin' a midnight train  
Midnight' train goin' anywhere  
I'm gonna find myself  
Find myself somewhere far from here

Oooh Let me go  
Oooh Let me go

I wanna see the world  
Travel with the clouds at my heels  
I wanna fly over the rivers and the oceans  
Until I've finally had my fill

Oooh Let me go  
Oooh Let me go

'Cause I been dyin' to be free  
Set me off so I can spread my wings  
All my life all I could see  
Were all the far-away places awaitin' me

Ah, Let me go  
Yeah, Let me go  
Yeah, Let me go  
Oh, Let me go

Let me go  
Yeah, Let me go  
Hey Let me go  
Yeah, Let me go  
Ah, Let me go  
Oh, Let me go  
Yeah, Let me go

I been dyin' to be free  
Set me off so I can spread my wings  
All my life all I could see  
Were all the far-away places awaitin' me

Oh, Let me go  
Yeah, Let me go  
Yeah, Let me go  
Yeah, Let me go

Catchin' a midnight train  
A midnight' train goin' anywhere
