

# Tango

Savannah Conley

Waking up I'm no good today  
Tried to call  
Threw my phone away  
I can't approach the subject  
It's been so long I just couldn't  
So I'll wait around til you reach out  
Like we do

Tango takes two of us  
Tango takes two  
I don't want to fight tonight  
I can't let it go  
Sorry I love you is all that it takes  
And you won't be the first  
Tango takes two, two of us

So it seems  
We've got two left feet  
Throwing elbows  
Fighting for the lead  
You're never satisfied  
And I never have the time  
So you'll wait around til I reach out  
We go round and round and round and round

Tango takes two of us  
Tango takes two  
I don't want to fight tonight  
I can't let it go  
Sorry I love you is all that it takes  
I won't be the first  
Tango takes two, two of us  
Tango takes two, two of us  
Tango takes two  
Tango takes two
