

You and I

Savannah Outen

It's been a long time
Since I came around
Been a long time
But I'm back in town
This time I'm not leaving with out you
You taste like whiskey when you kiss me awe
I'd give anything again to be your babydoll
This time I'm not leaving with out you.

He said sit back down where you be long
In the corner of my bar with your high heels on
Sit back down on the couch
Where we made love the first time
And you said to me

(There's somethin') somethin', somethin' about this place
Somethin' 'bout lonely nights
And my lipstick on your face
Somethin', somethin' about
My cool Nebraska guy
Yeah somethin' about
Baby you and I

It's been two years since I let you go
I couldn't listen to a joke
Or a Rock n' Roll
And muscle cars drove a truck
Right through my heart

On my birthday you sang me a 'Heart of Gold'
With a guitar humming and no clothes
This time I'm not leaving without you.

Sit back down where you belong
In the corner of my bar with your high heels on
Sit back down on the couch
Where we made love the first time
And you said to me

(There's somethin') somethin', somethin' about this place
Somethin' 'bout lonely nights
And my lipstick on your face
Somethin', somethin' about
My cool Nebraska guy
Yeah somethin' about
Baby you and I

You and I
You you and I
You you and I
You you and I
You and I
You you and I
Babaay I'd rather die
Without you and I

Guitar Solo (Come On, Put Your Drinks Up)

We gotta whole lotta money but we still pay rent
'cause you can't buy a house in heaven
There's only three men that ima serve my whole life
It's my daddy and Nebraska and Jesus Christ

(There's somethin') somethin' about the chase
(6 Whole years)
I'm a New York woman born to rock you down
Still want my lipstick all over your face
There's somethin' somethin' about just knowin' when it's right
So put your drinks up for Nebraska
For Nebraska, Nebraska I love you

You and I
You you and I
Baby I'd rather die
Without you and I

You and I
You you and I
Nebraska I'd rather die
Without you and I

It's been a long time since I came around
It's been a long time but I'm back in town
And this time I'm not leaving without you
