

## Drown

## Save Face

I'm unraveling like a thread  
But in a far more literal sense  
That screams of elegance  
Yeah, it had us screaming  
I guess that's just the way it is  
Contemplating things I wish I didn't know exist  
I guess "it is what it is" will have to suffice when you left me  
to my own devices  
Why'd you have to go and

Drown, drown, drown me out?  
Just drown, drown, drown me out, oh, oh  
Oh, again and again, again

You were the last thing that kept a mess like me halfway put together

Save a spot on the sidewalk just for me  
I'll paint it with contagious thoughts  
Just don't forget to scrape me off

You always drown, drown, drown me out  
Just drown, drown, drown me out, oh, oh  
Oh, again and again, again

You were the last thing that kept me halfway put together  
Oh god, oh god  
You were the last thing that kept me halfway put together  
Oh, together

And when you're just too late, will you come and scrape me off  
the sidewalk?  
I doubt it  
I doubt it, fuck
