

Glitter

Save Face

Anything you want me to do
I'll do anything for you
(To end up dead real soon)
Anything you want me to say
I'll say it if it gets you to stay
(The hell away from me)

Don't pretend like you
Don't know what you do
I want to be nowhere near you

Cut me to the bone
But don't pull out the knife
I'll twist it slow
I wanna see your blood
Get stuck like glitter on my face
I'll wear it every day
(I'll wear it every day)
(I'll wear it every day, day)

Self-inflicted wounds
Do they hurt you?
I want to be nowhere (Near you)

Cut me to the bone
But don't pull out the knife
I'll twist it slow
I wanna see your blood
Get stuck like glitter on my face
I'll wear it every day
