

Nothin'

Save Face

Burnt in my eyes and the back of my head
The image of the imprint that you left on my bed
It's all I can see, so thanks for nothing, baby
Nothing, yeah, nothing

Yeah, now I'm nothing, oh, nothing to you
And now you're nothing, oh, nothing to me
Oh baby, please, whoever told you this is how it has to be
You'd rather be nothing, oh, nothing to me

It's all I can say
Yeah, thanks for nothing, baby
Nothing
It's all I can say
'Cause it's burnt, burnt, burnt
Burnt in my eyes and the back of my head
