Now when I was a child  
My family was so poor  
They didn't have the finer things in life to eat  
So we had a plan  
In a big blue can  
The government substitute for meat

To get me to eat it at dinner  
They said I'd grow up like Bruce Jenner  
He was a winner that never knew defeat  
And when he got hungry  
When he got hungry  
He cracked open that special treat  
It was

So go and forget your O-S-C-A-R  
There's one meat by-product that's best by far  
It's
