Baptize Me

Saving Abel

Baptize me in the water
Heaven won't take my soul
Baptize me in the water
The devil won't let me go

Baptize me in the water
Watch me and I won't forget
Baptize me in the water
The fire ain't burned me yet

Coming up from the bottom bottom
Coming up coming up
Coming up from the bottom bottom
Coming up coming up

Whoa
I'm crawling my way out
I ain't going back again
Crawling back from the dead
Yeah
I ain't getting out alive
Time to live again
Crawling back from the dead

Take me down to the river
Gotta drown away my sins
Wake me up for tomorrow
Gonna save me once again

Baptize me in the water
Heaven won't take my soul
Baptize me in the water
The devil won't let me go

Coming up from the bottom bottom
Coming up coming up

Whoa
I'm crawling my way out
I ain't going back again
Crawling back from the dead
Yeah
I ain't getting out alive
Time to live again
Crawling back from the dead

Coming up from the bottom bottom
Coming up coming up
Coming up from the bottom bottom
Coming up coming up

Whoa
I'm crawling my way out
I ain't going back again
Crawling back from the dead
Yeah
I ain't getting out alive

Time to live again
Crawling back from the dead

Baptize me in the water
You can't save yourself
