

Love Sadistic

Saving Abel

If it ain't worth it when you see me love you
If it ain't worth it when I'm on my knees
If I'm no good for you then why are we here?
Don't think you're gonna get the best of me

Love sadistic, you're so vicious
Am I wasting my time?
Your intentions, my suspicions
Felt more than outline

Love sadistic, you're so vicious
The way you got a hold on me
It's all in the way that..
It's all in the way that you smile

Spent all my time wasting all on my lives
I know it's right, still I apologize
What you don't see is I don't wanna be here
But don't think you're gonna get the best of me

Love sadistic, you're so vicious
Am I wasting my time?
Your intentions, my suspicions
Felt more than outline

Love sadistic, you're so vicious
The way you got a hold on me
It's all in the way that..
It's all in the way that you smile

Baby, will you loosen your hold?
Cuz I don't wanna - I can start over
I don't wanna lose control
But it's already out of - it's already out of my hands

Love sadistic, you're so vicious
Your intentions, my suspicions
Felt more than outline

Love sadistic, you're so vicious
The way you got a hold on me
It's all in the way that..
It's all in the way that you

Love sadistic, you're so vicious
Your intentions, my suspicions
Love sadistic, you're so vicious
The way you got a hold on me
It's all in the way that..
It's all in the way that you smile
