

Take Me Home

Saving Abel

It's moments like these creeping in the black
So forget me not, lord
And never look back

Cause I want you
That's all you need to know
Yeah I need you
Let's see where this goes
We'll say goodbye in the morning
Yeah

Take me home
Take me home
Take me
I'll be your lover like no other
Take me home
Take me home
Take me
I just can't leave you alone
Just take me

It's only the difference between you and me
Call up wild and that sweet release

Cause I want you
That's all you need to know
Yeah I need you
Let's see where this goes
We'll say goodbye in the morning
Yeah

Take me home
Take me home
Take me
I'll be your lover like no other
Take me home
Take me home
Take me
I just can't leave you alone
Just take me
Just take me

Take me home
Take me home
Take me
I'll be your lover like no other
Take me home
Take me home
Take me
I just can't leave you alone
Just take me
Just take me
