

# Butterflies

Saving Jane

A million faces, A million names  
A million boys but they're all the same  
Until I set my eyes on you  
Yeah

Like a moth into a flame  
I just could not look away  
There's nothing else for me to do

You give me butterflies  
Tangled up inside  
I wanna close my eyes and hold on to this feeling  
Butterflies  
So tongue-tied  
Here's what I'm trying to say  
You give me butterflies

The way you look  
The way you laugh  
The way you love and don't hold back  
You're everything I've waited for  
Yeah

I have never felt so much  
It's like a promise when we touch  
I could not ask for something more  
And I love the way your hands fits in to mine

You give me butterflies  
Tangled up inside  
I wanna close my eyes and hold on to this feeling  
Butterflies  
So tongue-tied  
Here's what I'm trying to say  
You give me butterflies

And every word is like a song  
And I can't help but sing along

You give me butterflies  
Hmm-mm

Butterflies  
Tangled up inside  
I wanna close my eyes and hold on to this feeling  
Butterflies  
So tongue-tied  
Here's what I'm trying to say  
(What I'm trying to say)  
Baby I hope that you stay  
(I hope that you stay)  
You keep give me butterflies

Butterflies  
I wanna close my eyes and hold on to this feeling

Butterflies

I wanna close my eyes and hold on to this feeling
