

## The Cool Calm

Saviour

Carry on, carry on  
It wouldn't be so bad  
But you keep holding on, and on, and on  
(But you keep holding on, and on, and on)  
Carry on, carry on  
It wouldn't be so bad  
But you keep holding on, and on, and on  
(But you keep holding on, and on, and on)  
Carry on, carry on  
It wouldn't be so bad  
But you keep holding on, and on, and on  
(But you keep holding on)

And I'll stay cool, If you stay calm  
I'll stay collected, if you stay collected  
And I'll stay cool, if you stay calm  
I'll stay collected, if you stay collected  
And I'll stay cool, if you stay calm  
I'll stay collected, if you stay collected  
I'll stay cool, if you stay calm  
I'll start collected, if you stay collected  
(Carry on, carry on)  
(Carry on, carry on)  
(Carry on, carry on)  
(Carry on, carry on)

Carry on, carry on  
It wouldn't be so bad  
But you keep holding on, and on, and on  
(You keep holding on, and on, and on)  
Carry on, carry on  
It wouldn't be so bad  
But you keep holding on, and on, and on  
(But you keep holding on)  
And I'll stay cool, if you stay calm  
I'll stay collected, if you stay collected
