

# All I Can Do

Savoy Brown

You've gone away  
I'll get by somehow  
Just right now

All I can do is cry  
All I can do is cry  
I tried to find  
Why you said go

Now I know  
All I can do is cry  
All I can do is cry

Tell me why  
You walked out that way  
What can I say

All I can do is cry  
All I can do is cry

I keep searching for an answer  
As I sit here in my lonely room  
Till I find a reason to keep living

All I can do is cry  
All I can do is cry  
All I can do is cry, yeah

I keep searching for an answer  
As I sit here in my lonely room  
Till I find an reason to keep living

All I can do is cry  
All I can do is cry  
All I can do is cry

You've gone away  
I'll get by somehow  
Just right now

All I can do is cry  
All I can do is cry

I tried to find  
Why you said go  
Now I know

All I can do is cry  
All I can do is cry  
All I can do is cry
