

Going Back

Savoy Brown

I'm goin' back to my baby, I've been away too long
I'm goin' back to my baby, I've been away too long
She'll be waitin' for me, I can feel good lovin' comin' on

I remember, baby, when I had to go away
She had tears in her eyes 'cause I couldn't stay
I'm goin' back to my baby, I've been away too long
She'll be waitin' for me, I can feel good lovin' comin' on

When I get home she'll be wearin' a smile
We had no good lovin' for a long long while
I'm goin' back to my baby, I've been away too long

She'll be waitin' for me, I can feel good lovin' comin' on

She knows me better than I know myself
I couldn't be happy with someone else
I'm goin' back to my baby, I've been away too long
She'll be waitin' for me, I can feel good lovin' comin' on

I'm goin' back to my baby
I'm goin' back to my baby
I'm goin' back to my baby
I'm goin' back to my baby
She'll be waitin' for me, I can feel good lovin' comin' on
