

# She's Got A Ring In His Nose And A Ring On

**Savoy Brown**

Well it aint somethin that i like to see  
And i hope it never happens to me  
When ya see a smiling woman and a frowning man  
She got a ring in his nose and a ring on her hand

Well i knew a guy and he was real funky ya know  
That was of course until he got lucky  
When ya see a smiling woman and a frowning man  
She got a ring in his nose and a ring on her hand

Now i know all you men think that you all right  
And the one you got well she's alright  
When ya see a smiling woman and a frowning man  
She got a ring in his nose and a ring on her hand

Well i knew a guy and he was real funky ya know  
That was of course until he got lucky  
When ya see a smiling woman and a frowning man  
She got a ring in his nose and a ring on her hand

Now i know all you men think that you all right  
And the one you got well she's alright  
When ya see a smiling woman and a frowning man  
She got a ring in his nose and a ring on her hand  
Ring in his nose and a ring on her hand

Ring in his nose and a ring on her hand

Oh hows that  
Yeah  
Everybodys got to be unlucky sometime  
That's the way it goes
