

That Same Feelin'

Savoy Brown

You say I've lost my mind
You ask me what is wrong
Wonder if it's over
Look, I could be gone

Oh, where do we go from here?

I've got that same ol' feelin'
I've got that same ol' feelin'

You say you have to cry
Well, I cry the same way too
I don't want our love to fade
But what good can I do?

Oh, where do we go from here?

I've got that same ol' feelin'
I've got that same ol' feelin'

You say I've lost my mind
That everyone is wrong
I wonder if it's over
Look, I could be gone

Oh, where do we go from here?

I've got that same ol' feelin'
I've got that same ol' feelin'
Hey hey... I've got that same ol' feelin', baby
