

## Another 1 Lost

Savv4x

Okay, okay, okay (Uh, uh, uh, uh, uh)  
Okay, okay, okay  
Okay, okay, okay  
Okay, okay, okay  
Woo, woo, woo (Okay, okay, okay)

The way that I walk on the beat's too easy, dawg  
You don't see the kid too greazy?  
I'm like Mario, bro like Luigi  
Pimpin', she gotta pay just to see me  
Stepped in, drippin', I know that you see me  
Still rock the shades like I'm blind, like Stevie  
And I still got my ray like I'm Charles, uh  
No, I'm not talking bout Barkley, niggas wanna park me, I walk  
with my knock  
And we do not fuck with no Malis, if we in the party then turn  
that shit off  
Okay, we came in the party, no pollies, but Bandit came in with  
a bop in his Glock  
The same niggas say that I'm rap cap, holding their snapback wh  
en I let it off  
And I said that I'm doing no dissin', but gotta remind him his  
bro's in a box

Head got tapped on floor fourteen, it was 4:45 when they sent h  
im to God  
Heard that the next one crashed in a tree, didn't know what to  
do, that's another one lost  
And we just got the drizz on the next one, when we catch this o  
ne, the whole city gonna go mod, okay, okay  
The bros done took us the best one, we need a next one, but I w  
ant one from the west  
Steppin' in 2s or I step on my ones, I'm tryna hit me a head or  
a chest, okay okay  
We get us a drop and we going today, today (Okay, okay, okay, o  
kay, okay, okay, okay)
