I strike back

([?])

Savage

Uh, she fell in love with a savage

Rockstar lifestyle, bitch I'm the hardest

She fell in love with an artist

No, she fell in love with a savage

She say "Baby you do it the baddest"

I say "No but your nigga is average"

So he ain't gon' do it like I do, nah

Nigga you're shootin' like I shoot

I turn the flash on so I can find you

I turn the flash on so I can find him

I swear kills feel better than diamonds

I swear kills feel better than hugs

He send a diss then I'm sendin' him slugs

Still step on the Ave Boys, treat 'em like bugs

Know I got my Glock boy, reach if you're dumb

Know you can get shot boy, I'm not the one

No, I'm not the one
