

Back Seat

Saweetie

Yeah

You know I like it nasty, come meet me in the backseat
I don't need nothin' fancy, just slide over my panties
You know I like it nasty, I think you understand me
I don't need nothin' fancy, just slide over my panties
You know I need it bad, bad, bad-bad, bad, bad-bad, bad
You know I need it bad, bad, bad-bad, bad, bad-bad, bad
Oh, yeah (Uh-huh, ayy)

You know I keep it classy, but Saweetie like 'em nasty
Pop, pop, two shots, I'ma pop it like a Xanny (Pop, pop, pop)
Gas up the jet, nigga, take me to Miami

High heels, high class, high maintenance (Uh-huh)
