Saweetie

Pull me closer
It's the freak in me, I wanna show ya
It feels so good, don't want it to be over
And I ride it, I know that you like it
Come closer, it's the freak in me

I want you, you, you
I love everything you do, do, do
I do anything for you, you, you

Keep it simple, you know what you here for
Tell the concierge let you up with the key code
All his ice on but he bouta catch a heat stroke

You don't eat the booty, you lyin'
Caught you mixing liquors, you might
