

## High Maintenance

Saweetie

Uh, what you need girl? I need a hot boy  
Six foot with six figures and a big toy  
Heard he moving weight down south to Chicago, Illinois  
And he need a college girl to account so I employ  
Cause I'm a 5 star chick doing 5 star tricks  
Give him gifts all the time, I love his 5 star-  
Want a man with big, big bucks, money longer than my weave  
My hair cost a lot, I'ma need a couple g's  
Not a PlayStation, so do not play with me  
'Cause I will black up a nigga who don't gain with me  
See I'ma rider but nah I ain't a die  
'Cause I wouldn't take a bullet for a nigga, that's a lie  
And that's word to my mother, she the Filipino queen  
And she hella high maintenance, I'ma get her what she need  
That's some bling, that's some rings, man that's all on me  
Clear her closet out and take her on a shopping spree

That's right
