

# MEMORABLE

Saweetie

(Pretty bitch music)

My nail tech is top five  
But she is not five, four, three, two  
Many of you niggas playin' with my name  
Guess it's lyin' season  
All that gossipin' is womanly  
All you niggas divas  
Haha, boy, you super lame  
I am not the one to tame  
All you niggas fuck the same  
Kitty got the dogs goin' crazy like it's Pootie Tang  
Daddy said that I remind him of my mama  
Makin' niggas fall in love when you don't like them is  
Gonna cause some problems and some drama  
Yeah, I got a problem  
Gotta hit the gym so I can go on and weigh my options  
He said he in love with me, but he's scared to fuck with me  
'Cause after one link, he addicted to my company  
This is what I tell him

If you wanna see me more, you better make it memorable  
If I hit it twice then I guess it wasn't memorable (Yeah, yeah)  
If I only hit it twice then I guess it wasn't memorable  
If you wanna see me more, you better make it memorable  
If I hit it twice then I guess it wasn't memorable (Yeah, yeah)  
If I only hit it twice then I guess it wasn't memorable

Ooh, I want some head, maybe I should text him back  
I don't take it personal when you actin' mad  
I can see you in your feelings, baby boy, you should relax  
Don't you got some kids? You should be actin' like a man  
Yeah, car sex the best sex  
I love fuckin' in a foreign  
YSL skirt, easy access, pop it open  
Speakers hellas high, I'm vibratin' while I'm on it  
Had to take my choker off so I ain't chokin' while I'm chokin'  
If that dick impeccable, I could be available  
Busy body gettin' money  
You should feel lucky if I put you in my schedule  
My Spidey senses tellin' me you fuckable  
You got two chances, make it memorable

If you wanna see me more, you better make it memorable  
If I hit it twice then I guess it wasn't memorable (Yeah, yeah)  
If I only hit it twice then I guess it wasn't memorable  
If you wanna see me more, you better make it memorable  
If I hit it twice then I guess it wasn't memorable (Yeah, yeah)  
If I only hit it twice then I guess it wasn't memorable

If I only hit it twice then I guess it wasn't memorable
