Pullin' out my phone, what I miss?
Hoes throwin' shade underneath my new pic
Bitch, you ugly, somethin' Snapchat can't fix
Should I let her know, or should I buck this bitch?
Why you pissed?

Saweetie took my MCM just so he could put her on

Took a shot, didn't miss
Tell me how could I resist?
Why you pissed?

When I see 'em out in public

Staring at my titties
You like how they sitting?

And I got you in your feelings
