(Ah, ah) I'm doin' rich shit
(Ah, ah) Pretty bitch shit
(Uh, ah, ah) I'm doin' rich shit

Super fine, bills paid, doin' fine
True to time, give me brain, use your mind
Pussy wet, I'm a water sign
Don't forget, expensive bitch by design
Throw it back, you know I ain't holdin' back
Sixty-nine, it can be my zodiac
I'm a catch, hourglass no snitch
Get the racks, take a trip, go relax

Pretty bitches get down on the floor (On the floor)
Touch your toes, bust it open like a pro (Like a pro)
Yeah, I know you never seen this shit before, uh (Hell nah)
Make the money, spend some money, get some more (That's right, let's go)

Poke it out, ass fat, showin' out
Goin' out, liquor shots pourin' out
Big amounts, never have to go without
Money talk, bank account word to mouth
Private jets, first class, not a flex
Post a pic, shut down the entire net
Not impressed, what competition? I'm the best
I confess, pretty bitches run the West
