

Night Rockin'

Sawyer Brown

The heart of the night beatin' fast and strong
Cruisin' the town got my radio on, night rockin'
Johnny's with Maggie down at the grill
Just holdin hands but oh what a thrill, night rockin

Oh the night is the night, night rockin'
Let it roll, take it slow, oh night rockin'
We're makin' our way under the lights
Shadows motorin' past as we go by
We're night rockin
We're night rockin

Down at the drive inn we're bettin' to score
With two in the trunk and four on the floor, night rockin
Everyone's lookin' for someone to meet
Under the moonlight, out in the street, night rockin'

Oh the night is the night, night rockin'
Let it roll, take it slow, oh night rockin'
We're makin' our way under the lights
Shadows motorin' past as we go by
We're night rockin
We're night rockin

Oh Oh Oh Night Rockin'
Oh Oh Oh Night Rockin'
Oh Oh Oh Night Rockin'

Oh the night is the night, night rockin'
Let it roll, take it slow, oh night rockin'
We're makin' our way under the lights
Shadows motorin' past as we go by
We're night rockin
We're night rockin

Well the night is the night, night rockin'
Let it roll, take it slow, oh night rockin'
We're makin' our way under the lights
Shadows motorin' past as we go by
We're night rockin
We're night rockin
We're night rockin
We're night rockin
We're night rockin
We're night rockin
