

Still Hold On

Sawyer Brown

If I told you tonight that I loved you
Would you walk my way?
Would you say lies that I want to hear?

If I told you tonight that I need you
Would you break my heart?
Would you start wearin' me down again?

I feel so lonely when I'm with you
But I'm so lonely when you're gone
I can't live with you, I can't live without you
But I still hold on.

If I told you tonight I was leavin'
Would you call my name?
Take the blame, turn it all around again?

'Cause you know I love you
And it's worth the heartache
I curse the heartache we make
But I still hold on.

I feel so lonely when I'm with you
But I'm so lonely when you're gone
I can't live with you, I can't live without you
I still hold on, I still hold on.

I feel so lonely when I'm with you
But I'm so lonely when you're gone
I can't live with you, I can't live without you
I still hold on, I still hold on
I still hold on, I still hold on
Still hold on.
