

Sometimes I Wonder

Sawyer Fredericks

Well, I'm sitting in the dark
Up in my room.
Party's outside
Just needed
To get out.
Cause I don't want to bring
Everyone down.
Sometimes I wonder
If anybody likes me.
Sometimes I wonder
If they think
I'm annoying.
I don't want to ask no one
Afraid they'll lie to me.

Cause I don't believe
In true love or magic
And I don't believe
Hearts can't be broken.

If you leave me
I will be free
Your love means nothing
Nothing to me
Yes, I am Cold
And I will always be Alone.

I don't believe
In true love or magic
I don't believe
Hearts can't be broken

So I'm sitting' in the dark
Up in my room
Party's outside
Just needed
To get out.
Cause I don't want to bring
Everyone down.
Sometimes I wonder
If anybody likes me.
Sometimes I wonder
If they think I'm annoying.
I don't want to ask no one
Afraid they'll lie to me.

Cause I don't believe
In true love or magic
I don't believe
Hearts can't be broken.
And I don't believe
In true love or magic
And I don't believe
Hearts can't be broken
Hearts can't be broken
Hearts can't be broken.
