

# The Closest Thing To Love

Sawyer Fredericks

I met a girl  
It wasn't perfect  
But I liked her  
None the less  
She loved me  
I wasn't sure  
Of what I was feeling  
What I was feeling  
But it sure felt good

I knew  
That I didn't love her  
And I knew  
She wasn't the One

But she was  
The Closest,  
The Closest  
Thing to Love.  
She was the Closest,  
The Closest  
Thing to Love.

Don't tell me  
I was wrong  
Cause my love  
Wasn't as strong.  
I admit  
I admit  
Didn't know what I was doing  
What I was feeling  
But it sure felt good.

I knew  
That I didn't love her  
And I knew  
She wasn't the One

But she was  
The Closest  
The Closest  
Thing to Love  
She was  
The Closest  
The Closest  
Thing to Love  
She was  
The Closest  
The Closest  
Thing to Love
