

All for One

Saxon

Flashing steel, musket flash
Blade of honour, powder cask
Yeah yeah
Fight and die, protect the king
Against the odds you don't give in
Yeah yeah

You stand and fight, undying loyalty
You are the guardians of France's royalty

All for one
One for all
All for one
One for all
All for one

Gilded sabre your father's sword
On this day your oath was sworn
Yeah yeah
You took the vow and show no fear
You ready now a musketeer
Yeah yeah

You stand beside your comrades to the end
Steadfast belief your will will never bend

All for one
One for all
All for one
One for all

You took the vow to keep the faith
Duty bound a state of grace
Yeah yeah
When danger comes you heed the call
Grenadiers will stand or fall
Yeah yeah

You make your stand, undying loyalty
You are the guardians of France's royalty

All for one
One for all
All for one
One for all
All for one

All for one
One for all
All for one
One for all
All for one
One for all
