

# I Just Can't Get Enough

Saxon

Take it down easy  
Take it down low  
Slide it to the bottom  
And shake it real slow  
You move it to the side  
And squeeze it real tight  
Is there any wonder  
I'm losing my sight

Now get me to a doctor  
I gotta get a shot  
Cause I just can't get enough of you  
I'll do anything that you want me to  
I just can't get enough of you, oh no  
I just can't get enough of you  
I'll do anything that you want me to  
I just can't get enough of you tonight, oh no

Gotta swing it to the front  
Slide it to the back  
Grind it real slow  
I like it like that  
Now turn it round good  
Stroke it down bad  
Ya giving me a feeling  
That I've never had

Get me to a doctor  
I'm runnin' too hot  
Cause I just can't get enough of you  
I'll do anything that you want me to  
I just can't get enough of you, oh no  
I just can't get enough of you  
I'll do anything that you want me to  
I just can't get enough of you tonight, oh no

Let me down easy  
Let me down slow  
Hold me down tight  
And never let go

Get me to a doctor  
I got it real bad  
Cause I just can't get enough of you  
I'll do anything that you want me to  
I just can't get enough of you, oh no  
I just can't get enough of you  
I'll do anything that you want me to  
I just can't get enough of you tonight, oh no
