

# Standing in a Queue

Saxon

Flying in from Dallas  
Home to see my girl  
I got my backs, I'm ready to rock  
I've been around the world

As I came around the corner  
The chaos came in view  
A thousand silent people  
Waiting in the queue

There's got to be a better way to get me out of here...

I'm standing in a queue  
I don't know what to do  
I haven't got a clue  
Why I'm standing in a queue

Driving through the country side  
Taking in the view  
I stopped to take a little break  
Get myself some food

Pulled into the truck stop  
I didn't have a clue  
Two thousand other people  
Waiting in the queue

There's got to be a better way to get me out us here...

We're standing in a queue  
We don't know what to do  
We're just trying to make it through  
We're just standing in a queue

It shouldn't be so difficult  
To find a better way  
I can think of better things to do  
Than standing here all day

Someone needs to get a grip  
We need another plan  
Let's raise our voices up on high  
And stick it to the man

There's got to be a better way to make it out of here....

I'm standing in a queue  
I don't know what to do  
We're trying to make it through  
Standing in a queue  
Trying to get to you  
Standing in a queue
