

# To Hell and Back Again

Saxon

How long must I stay  
How long must I go on  
Taking my chances  
I'm running away  
Don't take away my daylight  
Don't take away my freedom  
Why must I go

To hell and back again  
To hell and back again  
To hell and back again  
To hell and back again

Will I Make the morning  
To see another day  
The Gods may come at midnight  
They're taking me away  
I'm waiting here on death row  
I pray for my reprieve  
Why must I go

To hell and back again  
To hell and back again  
To hell and back again  
To hell and back again

The chaplain and the gardener  
Have told me how to die  
I've used up all my chances  
Now it's time to cry  
Oh, I can hear the footsteps  
The lights have just gone dim  
I'm on my final journey

To hell and back again  
To hell and back again  
To hell and back again  
To hell and back again

Will I make the morning  
To see another day  
The Gods they come at midnight  
They're taking me away  
I'm standing here on death row  
I pray for my reprieve  
Why must I go

To hell and back again  
To hell and back again  
To hell and back again  
To hell and back again

The Chaplain and the gardener  
Have told me how to die  
I've used up all my chances  
Now it's time to cry  
Oh, I can hear the footsteps

The lights have just come dim  
I'm on my final journey

To hell and back again  
To hell and back again  
To hell and back again  
To hell and back again

To hell and back again  
To hell and back again  
To hell and back again  
To hell and back again
