Under Control

Say Anything

I don't wanna waste your time
I don't wanna waste your time
I just wanna say
I've got to say

We worked hard, darling
We don't have no control
We're under control

I don't wanna do it your way
I don't wanna do it your way
I don't wanna give it to you, your way
I don't want to know

I don't wanna change your mind
I don't wanna change the world
I just wanna watch it go by
I just wanna watch you go by

We were young, darling
We don't have no control
We're out of control

I don't wanna do it your way
I don't wanna do it your way
I don't wanna give it to you, your way
I don't want to know

I don't wanna change your mind
I don't wanna waste your time
I just wanna know you're alright
I've got to know you're alright

You are young, darling
For now, but not for long
Under control
