

All Love to Me

Say Lou Lou

Finally, it's you and me
Two bad girls on a movie screen
Ain't that sweet humanity?
Your love becomes your enemy
Here it goes, the primal scream
A prayer that my teeth will make you bleed
They say it's just biology
That the devil in you is the devil in me

Oh, it's all love to me
Oh, be my villain
Oh, all the pain that would [?]
It's all, it's all love to me

Now we see the holy war
When true love leads to leave the force
Ain't it just the perfect twist?
Your blood becomes your nemesis
What do you do when you wanna destroy
The only one who gives you joy?
I wanna hit it where it hurts
And maybe it's my curse
For better or for worse
I hope I die first

Oh, it's all love to me
Oh, be my villain
Oh, all the [?] that we [?]
It's all, it's all love to me

The devil in you is the devil in me
A prayer that my teeth will make you bleed

Oh, it's all love to me
Oh, be my villain
Oh, all the havoc we wreak
It's all, it's all love to me

(And maybe it's my curse
I wanna hit it where it hurts
And maybe it's my curse
I wanna hit it where it hurts
And maybe it's my curse
I wanna hit it where it hurts)
Won't you be my
Won't you be my villain?
Won't you be my
Won't you be my villain?
(And maybe it's my curse
I wanna hit it where it hurts)

Oh, it's all love to me
Oh, be my villain
Oh, all the [?] that we [?]
It's all, it's all love to me
